Unexpected Goods: We understand that sometimes the styles or colors of eyewear you receive may not meet your expectations. To ensure your satisfaction, we offer a 60-day return policy on merchandise. Returns are accepted for any unsold, undamaged eyewear that has not been displayed or altered in any way. To initiate a return, please contact us within 60 days of your invoice date for approval and instructions. Damaged Goods: At Sunglasses Unlimited, we are committed to delivering high-quality products. If you receive any damaged goods due to shipping or handling before they reach your store, we offer a return and replacement process. Upon receiving your order, please inspect the items immediately. If any damage is found, contact us within 60 days of your invoice date for approval and instructions. This policy applies only to damages incurred during shipping and handling and does not cover damage caused by retail customers or improper handling after delivery.

**2. Payment Terms.** We proudly offer Net 30 terms to our wholesale partners, allowing 30 days to pay for an order after it ships. To qualify for Net 30 terms, a valid payment method must be kept on file. This can be a checking/routing number or debit/credit card, which will be securely stored for automatic charging at the end of the Net 30 term. Without a payment method on file, invoices must be paid prior to shipping. We also accept third-party payment providers, but these must be pre-approved. Invoices must be submitted directly to the third-party provider for payment processing.

**3. Order Minimums.** To qualify for wholesale pricing and bulk orders, we require a minimum order of 4 dozen glasses per order. This ensures we can provide our wholesale partners with the best pricing and service. Please contact us for any additional details or if there are questions about the minimum order requirements.

**4. Shipping & Handling.** We aim to process and ship orders promptly, ensuring your products reach our partners as quickly as possible. To keep costs affordable, we primarily use ground shipping for all orders. Shipping fees are calculated based on the size of your order and the delivery location, allowing us to offer the best value while ensuring timely delivery. If expedited shipping is needed or there are have specific delivery requirements, please reach out to us, and we will do our best to accommodate.

**5. Resale Certificate Policy.** We require all wholesale partners to have a valid resale certificate on file to process orders at wholesale pricing. To ensure accurate bookkeeping, we may periodically request updates of certificates.

**6. Customer Support.** We are committed to providing excellent customer service. Should there be any questions or concerns, our team is here to assist at [info@majorframes.com](mailto:info@majorframes.com).
